Meeting called to order at 7:10 p.m.,

Guest Presentations

Todd Pavolic stopped by after haying the front field asking if it was OK to install washed gravel on the hill at the northeast end of the woods which is getting eroded. He will stockpile the stone at the east end of the parking lot. He was concerned about emergency vehicles accessing the winding park trail. He was Okayed to proceed with trail work

Curtis Borsi and his dad Craig presented his plans for a trash recycling receptacle for both Oberland and Veterans Park similar to the one Geauga Park District has at The Rookery. Inside will be two 55 gallon cans for garbage and one in the middle for recyclables. Judy suggested cutting a 2 liter bottle size hole to prevent garbage from being mixed with recyclables. A door will be at one end for access to empty the cans. Container will be constructed of wood with metal latches. Curtis had sizes all drawn up. Discussed colors Oberland Park will be painted the same green as the shelter trim. Veterans Park will be painted white with a green roof. Curtis will raise the money for materials through family and friends. Needs to be done by Feb 2019 before he turns 18.
