Present: Judy Barnhart, Mark Fritch, Wayne Mansfield, Les Ober, Jim Stephancin, Roger Mezak  
Guests: Carol Draybek,

Meeting called to order at 7:10 p.m., minutes of July meeting read and approved.

### **Oberland Park.**

Les would like to get the conservation easement of the woods, marsh and 7 acre field. He talked to Brett Rodstrom of WRLC, They can get the easement done in 30 days. Trustees were looking into it. Board would like to get something going before the election. Les motioned to have trustees move ahead with a conservation easement on the 49 acre woods, marsh, and hidden meadow. Wayne seconded, passed unanimously, want to make sure future trustees do not sign a timber contract to have woods clear cut. Les will present to Glen when he gets back into town. To put on the next trustees agenda. Wayne will attend trustee meeting next week. Roger recommended having a committee of the whole board meet to review what should be allowed on the property, such as hunting, removal of hazardous trees, question on does WRLC have restrictions on what they allow, Les thought they are open to improvements on the property

Les checking with Kathy Smith on possible research projects for OSU such as comparing woods which haven't been tapped in a while such as the west woods with those that have. Could also do research on invasive species and Climate Change. OSU will need a guarantee the woods will be preserved to do research on it.
