

The special meeting of the Board of Township Trustees, Newbury Township was called to order at 7:00 p.m., February 26, 2014, with Mr. Quigley, Mr. Skomrock and Ms. Blair present.

This meeting was to discuss the budget for 2015.

Mr. Quigley brought up that the parcels that contain the Road Department, Ironman and the American Legion should be combined, this should save the township money. A motion to combine these properties made by Ms. Blair, 2nd by Mr. Skomrock and a unanimous affirmative vote by all.

Discussion was then on the General Fund. The fund looks okay for the next few years with the changes that have already been made. In the future there may have to be changes to the fees the township charges to increase funds. But this is not required at this time. Another idea was to have sections of the cemetery, which could only have flush headstones to reduce the cost of mowing around above ground headstones, and charging for all cemetery plots.

The Fire Department will be asked to attend the next meeting to sign the 2014 fire contract. The cost has been reduced from \$70,000 from the General fund to \$50,000. The difference should be made up by the Fire Department instituting soft billing in 2014.

This meeting was adjourned at 8:17 P.M., upon a motion by Mr. Skomrock with a second by Ms. Blair and a unanimous affirmative vote by all.
