Chairman, Mr. Quigley asked if anyone on either side had any questions or comments they needed to ask or share. All attendees passed.

At this time Jan Blair made a motion to accept the CJE as written/presented followed by a second from Mr. Skomrock, and third by Mr. Quigley with a unanimous yes by all.

Mr. Quigley requested Mrs Wieland to move forward on everyone's behalf to get a court date set for the judges' review and signature. Mrs. Wieland said she may be calling on one of the trustees to be present if necessary.

All were very pleased with the result to move forward with the Precious Cargo parking lot project in full agreement with conditions stated in the CJE.
